High-density routes, spanning 1,835 km, in key sections such as Secunderabad-Kazipet, Kazipet-Balharshah, Vijayawada-Kondapalli and Gooty-Wadi to have the facility

V. Geetanath
HYDERABAD

The South Central Railway (SCR) has received clearance to operate trains at a maximum speed of 130 kmph on all golden quadrilateral, golden diagonal and high-density routes.

And to prevent trespassing by pedestrians, cattle and vehicles, the zone has launched a ₹3,200-crore project to install fencing and boundary walls along these tracks.

Top officials said the high-density routes, spanning 1,835 km, include key sections such as Secunderabad-Kazipet, Kazipet-Balharshah, Vijayawada-Kondapalli and Gooty-Wadi.

Four types

In addition to these routes, select 'B' category sections will also get four types of fencing and varied boundary walls depending on the location. Subways are also being constructed near stations and habitations to allow safe crossings for pedestrians, cattle and small vehicles for public convenience near habitations.

The total work covers 4,429 km – 4,019 km of fencing costing ₹2,055.52 crore and 410 km of boundary walls costing ₹1,136 crore. So far, fencing has been completed for 875 km across all divisions. The fencing is designed to be economical, strong, easy to install and safe from electrical induction due to overhead equipment. "It will completely seal the track to prevent trespassing while leaving space for offloading trolleys and railway equipment," said SCR Chief Public Relations officer A. Sridhar.

In the Secunderabad division, 305 km of fencing has been completed out of the proposed 894 km, along with 98 km of boundary wall and 102 subways on the Secunderabad-Kazipet, Kazipet-Balharshah and Kazipet-Kondapalli routes.

In the Vijayawada division, 264 km of fencing has been completed out of 998 km, in addition to 115 km of boundary wall and 127 subways across the Pulla-Duvvada, Gudur-Kadavakuduru, Kadavakuduru-Pulla and Vijayawada-Kondapalli sections.

In the Guntakal division, 268 km of fencing has been completed out of 1,117 km, along with 123 km of boundary wall and 109 subways on the Gooty-Wadi, Renigunta-Gooty, Gooty-Dharmavaram and Gudur-Tirupati stretches.

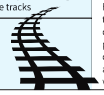
In the Guntur division, 30 km of fencing has been completed out of 409 km, along with 17 km of wall and seven subways in the Pagidipalli-Tenali and Vejendla-Guntur sections.

In the Hyderabad division, 8 km of fencing has been completed out of 336 km, along with 42 km of boundary wall and 29 subways on the Secunderabad-Dhone route. In Nanded division, plans include 265 km of fencing and 16 km of wall, with no subways, on the Manmad-Jalna section.

A boundary wall built along a railway track.

No entry zone

- SCR has received clearance to operate trains at a maximum speed of 130 kmph on all golden quadrilateral, golden diagonal and high-density routes
- To prevent trespassing by pedestrians, cattle and vehicles, ₹3,200-crore project launched to install fencing and boundary walls along these tracks
- The total work covers 4,429 km — 4,019 km of fencing costing ₹2,055.52 crore and 410 km of boundary walls costing ₹1,136 crore
- Subways are also being constructed near stations and habitations to allow safe crossing for pedestrians, cattle and small vehicles



North East festival from today

The Hindu Bureau
HYDERABAD

The Telangana government, in partnership with the Governor's Office and Ministry for the Development of North Eastern Region, is set to host 'Telangana-North East India Connect: A Techno-Cultural Festival' in Hyderabad from Thursday.

The festival will take place in two phases, from November 20 to 22 at Hitex exhibitio. Centre and from November 25 to 27 at Raj Bhavan. The inaugural session at Hitex will bring together the Governor, Chief Minister A. Revanth Reddy, Tourism and Culture Minister Jupally Krishna Rao, and official delegations from across the North Eastern region.

HC stays properties' acquisition

The Hindu Bureau
HYDERABAD

Justice N.V. Shravan Kumar of Telangana High Court on Wednesday ordered notices to GHMC Khairatabad zonal commissioner, Deputy Commissioner of Circle 18 and Assistant City Planner in a writ petition over acquiring private properties on road No. 12 of Banjara Hills for road expansion.

The judge observed that prima facie it appeared that the entire notification issued by the authorities for acquiring the properties required examination. Apparently, the mandatory notices were not issued to all the affected parties enabling them to present their objections. This matter needed to be analysed.

The Hindu Bureau
HYDERABAD

The Forum for Good Governance has written a letter to the Chief Minister A. Revanth Reddy calling for a review of the government's overseas education scheme for students from SC, ST, BC, EBC and minority communities. The appeal argues that while the scheme was launched with noble intentions, it may no longer be serving its purpose in the present educational landscape.

The Mahatma Jyothiba Phule and Ambedkar Overseas Vidya Nidhi schemes, introduced in 2013, were designed to help meritorious students from economically weaker sections pursue higher education in foreign universities.

However, the forum has raised concerns that the scheme is not yielding the expected results. It pointed out that affluent families and individuals with political connections are being selected, defeating the purpose of supporting genuinely poor students. The letter further stated that the government has no clarity on whether students are returning to India after completing their studies, nor are there mechanisms in place to support students who do return and wish to use their newly acquired skills within the country.
